

### **CREATING AN E-AHPBA / IHPBA CHAPTER**

Thank you for your interest in creating an E-AHPBA / IHPBA Chapter.

1. Please note that at least 5 members of your Chapter (including your Chapter Secretary) must be current E-AHPBA / IHPBA members. Membership information can be found on our website: [fees and applications](#).
  2. Please complete the form attached below in English. This information will be posted on the National Chapters page of both the E-AHPBA and IHPBA website. It will be open to the public so that anyone interested in joining your Chapter can access the information.
  3. You may also provide the information in your local language as well as in English. Both versions will be posted on the National Chapters page of E-AHPBA and IHPBA website.
  4. Please also let us have details of your first meeting, including location and date, so that we can publicise that in our events calendar and in our journal *HPB*.
  5. It is the responsibility of each Chapter to act in accordance with the aims and principles of E-AHPBA and IHPBA. The E-AHPBA and IHPBA is incorporated as a non-profit organisation whose goals include the following:

    - d. To foster friendship among clinicians and scientists involved in hepatic, pancreatic and biliary disciplines;
    - e. To strive towards the highest ethical standards in the Association's fields of endeavour; foster education and career development in the field through an identifiable funding mechanism.
