

DEAR COLLEGES

It is with great pleasure that we invite you to the 2022 edition of IHPBA Nordic Chapter and Scandinavian Network for HCC (SNHCC) in Aarhus on 22nd-23rd September. We welcome all specialists in HPB surgery, Radiologist, Hepatologists and Oncologists within this field. Further, we invite Specialist nurses within the HPB field to join the meeting, see below. This year we would also like to invite all young researchers to submit an abstract for presentation at the young investigator session on Thursday afternoon.

We are looking forward to welcoming you all in Aarhus this September, hopefully without any Covid-19 restrictions. For details on registration and hotels see below.

Welcome to Aarhus.

.....

ON BEHALF OF THE ORGANIZING COMMITTEE

Gerda Elisabeth Villadsen
Anders Riegels Knudsen
Frank Viborg Mortensen

.....

Calling nurses involved in the care of patients with diseases in the liver, pancreas, or the biliary system (HPB).

Come and be inspired at the Nordic HPB meeting in Aarhus on 22nd-23rd September 2022.

The very first Nordic Nurses HPB meeting will take place in the afternoon on September 22nd. The topics will cover nursing related to the patient journey – from diagnosis to palliation. Six speakers will take us by the hand on this journey. Furthermore, there will be time and opportunities to interact and create networks.

Nurses are also welcome to join the main programme of the meeting.
