

# E-AHPBA Consensus Conference 2022

Face-to-face meeting hosted  
by E-AHPBA in partnership  
with ESCP and ESSO

# Key Facts

**Name**

E-AHPBA Consensus Conference 2022

**Date**

2 - 3 December 2022

**Location**

Medical School in Zaragoza University, Zaragoza, Spain

**Participants**

Approx. 200

**Theme**

Terminology, Diagnosis and Management of Patients with Colorectal Cancer and Synchronous Liver Metastases

# Programme

**The programme for the E-AHPBA Consensus Conference 2022 will be constructed around the Delphi process.**

- The Scientific Delphi Group have produced Delphi questions covering the scope of the project. These are currently being formulated during a series of online discussions.
- Once the Delphi questions are agreed, they will be sent via an online questionnaire to the members of the Scientific Consensus Committee. The first Delphi round will be circulated in early September, followed by the second Delphi round in early October.
- Attendees of the final meeting held in Zaragoza, Spain will participate by electronically voting in the decision of each statement. These results will be used to inform the final statements.

An application will also be submitted to Ethical MedTech Europe
